Ordered, That the Clerk request the concurrence of the Senate in said bill.

150.11 PROVIDING FOR THE CONSIDERATION OF H.R. 2149

Mr. QUILLEN, by direction of the Committee on Rules, called up the following resolution (H. Res. 419):

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the State of the Union for consideration of the bill (H.R. 2149) to reduce regulation, promote efficiencies, and encourage competition in the international ocean transportation system of the United States, to eliminate the Federal Maritime Commission, and for other purposes. The first reading of the bill shall be dispensed with. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Transportation and Infrastructure. After general debate the bill shall be considered for amendment under the five-minute rule. Before consideration of any other amendment it shall be in order to consider the amendment printed in part 1 of the report of the Committee on Rules accompanying this resolution, if offered by Representative Shuster of Pennsylvania or his designee. That amendment shall be considered as read, may amend portions of the bill not yet read for amendment, shall be debatable for 10 minutes equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. Points of order against that amendment for failure to comply with clause 7 of rule XVI are waived. If that amendment is adopted,

the bill, as amended, shall be considered as the original bill for the purpose of further amendment. The bill, as amended, shall be considered by title rather than by section. The first section and each title shall be considered as read. During further consideration of the bill for amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 6 of rule XXIII. Amendments so printed shall be considered as read. The amendment printed in part 2 of the report of the Committee on Rules shall be considered as read, may amend portions of the bill not yet read for amendment, shall not be subject to an amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

When said resolution was considered.

Mr. QUILLEN submitted the following amendment which was agreed to:

Page 3, line 12, strike "an amendment" and insert in lieu thereof "amendment (except pro forma amendments)".

After debate,

On motion of Mr. QUILLEN, the previous question was ordered on the resolution, as amended, to its adoption or rejection.

The question being put, viva voce,

Will the House agree to said resolution, as amended?

The SPEAKER pro tempore, Mr. DICKKEY, announced that the yeas had it.

Mr. SHUSTER objected to the vote on the ground that a quorum was not present and not voting.

A quorum not being present,

The roll was called under clause 4, rule XV, and the call was taken by electronic device.
